Winston & Strawn's Miami office opened in 2022 and represents the firm's largest expansion in several years. Located in the heart of the city's Financial District, the office launched with a strong team of transactional and litigation partners from prestigious law firms operating in South Florida. Our Miami office leverages the area's status as a critical nexus point for banking and international trade with the United States, Europe, Latin America, and other

parts of the world. Our attorneys have the cultural fluency and local knowledge necessary to work seamlessly with international clients, particularly those with ties to Latin America.

Our Miami office is dedicated to the recruitment and retention of diverse lawyers. Over two-thirds of our lawyers in Miami identify as women, racial/ethnic minorities, and/or LGBTQ+. As part of our commitment, in 2023, we launched our Summer Associate Program in Miami for the first time. We look forward to expanding the program as our Miami office continues to grow.
