

Winston Honors the Legacy of Martin Luther King Jr. By Supporting Our Communities

JANUARY 15, 2024, 7:00 AM

Winston for Good volunteers from across the U.S. and in London turned out in force to pay homage to the legacy of Dr. Martin Luther King Jr.'s unwavering commitment to civil rights and community service. More than 200 attorneys and professional staff assembled 2,600+ care packages, which will be distributed within our communities.

"This was a record-breaking turnout for a Winston for Good service project," said Julie Goodman, Winston's Chief Corporate Social Responsibility Officer. "Thank you to everyone who contributed to this highly impactful event."

"I feel proud to be part of a firm where so many attorneys and professional staff took the time to embody the spirit of Dr. King's dream of 'beloved community' and contribute to the well-being of less fortunate members of our communities," said Sylvia James, Winston's Chief Diversity & Inclusion Officer.
