

## COVID-19: Current Issues in Derivatives

APRIL 22, 2020

Winston & Strawn hosted an interactive CLE webinar focused on current issues in derivatives, with a focus on the recent impact of COVID-19 on April 22. Topics included:

- COVID-19 and Derivatives
- Position Limits – CFTC 2020 Proposal

[Contact Winston & Strawn for more information about this event.](#)

*A webinar is a complimentary interactive seminar offered by Winston & Strawn LLP over the Internet. You'll watch and listen to the presentation at your own computer.*

*Winston & Strawn LLP is an accredited CLE provider in California, Illinois, New York, and Texas. CLE credit is not available for listening to our pre-recorded webinar briefings.*
