

## Current Issues in Derivatives – April 2021

APRIL 14, 2021

On April 14, Winston & Strawn's Derivatives team presented on current issues in derivatives, with a specific focus on the following topics:

- Security-Based Swaps – Regulatory Developments, Documentation and the ISDA US Self-Disclosure Letter
- LIBOR Transition Update
- Movement to Electronic Documentation
- Cross-Border Rules
- Status of the Mandatory Margin Rules
