

## Bobby Malhotra Discusses Generative AI in IPRO Q&A Series

JUNE 29, 2023

Winston & Strawn Partner Bobby Malhotra was featured in an episode of IPRO's "Everything You Need to Know About Data Security" Q&A series where industry professionals discuss the latest trends in the data security industry. In the episode, Bobby discusses generative artificial intelligence and how it is changing the future of legal tech.

Topics discussed include how and when attorneys should use generative AI, the concerns of using cloud-based AI tools, and how deep fakes could impact legal tech and eDiscovery.
