

Revelstoke's Carrus Acquires Archetype Innovations

APRIL 1, 2021

Winston & Strawn LLP represented Carrus, a leading integrated technology platform that provides training solutions to the high-growth healthcare sector, in its acquisition of Archetype Innovations, a Minnesota-based innovative educational Electronic Health Record learning platform. Carrus is a portfolio company of Revelstoke Capital Partners, a private equity firm based in Denver, Colorado. This transaction marks Carrus' sixth acquisition since partnering with Revelstoke and serves as a key building block to expand the business' healthcare-focused education technology platform.
