

I2PO, First SPAC of its Kind in Europe, Closes IPO

JULY 16, 2021

Winston & Strawn LLP served as co-counsel to I2PO, a special purpose acquisition company organized under the laws of France, in its €275M IPO on the Euronext Paris stock exchange. I2PO was founded by former WarnerMedia President Iris Knobloch, FrenchBaire family Pinault through its investment company Artemis, and serial-SPACer and head of Centerview Partners in France Matthieu Pigasse. I2PO is the first SPAC in Europe co-founded and led by a woman and also the first one dedicated to entertainment and leisure.
