

Winston & Strawn Sponsors 2023 Retail Law Conference

OCTOBER 25 – 27, 2023

Winston & Strawn sponsored the 2023 Retail Law Conference in Atlanta, Georgia from October 25 – 27, 2023. The conference is designed to address the new opportunities and risks retail legal counsel face and ways to provide dynamic counsel to the c-suite to accelerate business.

Winston partners Amanda Groves and Jonathan Brightbill lead a breakout discussion on class actions and government enforcement on product claims and related ESG issues. The discussion examined recent case theories, developed standing jurisprudence, settlements, new agency rules, and ESG risks in the context of class action litigation around product review challenges, food, sustainability, and other ESG claims.
