## Winston Attorneys Ranked Among the Top 200 Lawyers in America by *Forbes*

MARCH 26, 2024

Winston & Strawn partner Kimball Anderson, Co-Executive Chairman Jeffrey Kessler, Government Investigations, Enforcement, and Compliance Practice Co-Chair Abbe Lowell, and Co-Executive Chairman Dan Webb merited places on *Forbes*' 2024 list of America's Top 200 Lawyers. *Forbes* created the list to highlight the "finest in the profession"—lawyers with impressive track records in their specialties, those who have broken barriers to emerge as leaders in their fields, and attorneys most respected by peers and clients.

Kimball, Jeffrey, Abbe, and Dan were selected as honorees from thousands of candidates through a rigorous, multi-stage process of editorial research and evaluation. Per the outlet, "in-depth research into each candidate yielded evaluations on a variety of criteria, including reputation, industry honors, influence on the legal landscape, advocacy performance, commitment to diversity, and pro bono work."
