Bite-Sized Insights: Legal Trends Impacting the Food & Beverage Industry

MAY 21, 2024, 12:00 – 1:00 P.M. (CT)

Join Winston & Strawn on May 21 for a CLE-accredited webinar during which we'll uncork the latest class action, environmental, labor, and antitrust trends affecting the food and beverage industry.

In this 1-hour program, our attorneys will serve up a concise yet comprehensive overview of these legal areas and offer practical strategies to prepare for and navigate these issues.

This Program Will Answer:

CLASS ACTION LITIGATION

- What are the latest CPG and retail class action trends?
- What are the considerations I should take when served with a notice letter or lawsuit?
- I decided to litigate. Now what?

ENVIRONMENTAL REGULATION AND LITIGATION

- Why is there so much recent attention on environmental contaminants?
- How is the EPA approaching enforcement these days in the food and beverage industry?
- Is my company at risk for greenwashing or ESG claims?
- What steps should my company take to mitigate risk and avoid litigation on these topics?

LABOR & EMPLOYMENT

- How can I limit the risk of a wage and hour claim?
- How do I prepare for a reduction in force?
- What is the latest on the FTC's non-compete ban and what steps should I take to avoid litigation?

ANTITRUST & COMPETITION

- How is the FTC restarting price-discrimination enforcement under the Robinson-Patman Act?
- When does using AI and algorithms to optimize pricing put my company at antitrust risk? What about sharing data with market research firms?
- How can I prepare for the new HSR merger notification form?
