

Winston Sponsors Information Forecast's Food 2.0 Conference

JUNE 7, 2016 - JUNE 9, 2016

Winston & Strawn sponsored Information Forecast's [Food 2.0 Conference](#), held June 7-9, 2016, in Los Angeles. The theme of this year's conference was investing in the next wave of natural and organic.

On June 7, Winston's Food, Beverage & Agriculture Practice Chair Amanda Groves spoke on the "Using 'Natural': Walking the Line Between Consumer Expectations, Accusations of Deceptive Practices, and Litigation" panel. Other conference topics included:

- The Future of Food Retail
- Private Equity Perspectives on Building Bigger Better Natural and Organic Food Brands
- Market Overview and Consumer Behavior Driving the Natural and Organic Food Trend
