Areas of Focus

Appellate & Critical Motions

Our exceptional Appellate & Critical Motions (ACM) Practice has an enviable track record of prevailing before federal and state appeals courts, including the U.S. Supreme Court. Our ACM litigators routinely collaborate with our trial teams from a matter's inception, contributing to strategy and engaging in critical motion practice, focusing on possible outcome-dispositive trial issues.

Trials

Our deep courtroom experience, strong business sense, and broad knowledge across subject matters enables us to develop strategies at every phase—from discovery and motions to witness preparation—with an eye toward how those will affect a jury or a judge, should a matter proceed to trial. We work with some of the country's leading experts and know how to develop their testimony for trial in a way that resonates with the decision maker. Our exceptional skills allow us to assume responsibility for a case that's slated for trial on short notice—to change the trajectory of a case and signal serious litigation risk to the other side.
