

## International Arbitration

Winston has decades of experience representing clients in international arbitrations around the world. Representing clients in both commercial and investor-state international arbitrations, we are well known by the leading players in the global arbitration arena. Our integrated team of attorneys enforces awards worldwide, knows every angle of international disputes, and has a robust understanding of our client's industries.

Recognized in the *Global Arbitration Review's* "GAR 100" and as a "Top Arbitration Firm" by *The American Lawyer*, we build globally integrated and multi-lingual teams across offices worldwide to meet the specific needs of each case. Our practitioners are qualified in multiple jurisdictions; can tackle disputes arising under civil law, common law, and international law; and can arbitrate in numerous different languages.

We maintain offices in many of the world's most important arbitration centers, including London, Paris, New York, and Washington, D.C., and handle arbitrations seated under all the major international arbitration rules, including the ICC, LCIA, ICSID, SCC, ICDR/AAA, CIETAC, HKIAC, DIAC, SIAC, CAS-TAS, Swiss Chambers, and UNCITRAL.

### Areas of Focus

## Commercial Arbitration

We have substantial experience in the prosecution of commercial arbitrations throughout the world, managing cases with lawyers and experts in various jurisdictions, while cooperating closely with clients' in-house counsel. We have handled virtually all types of commercial arbitrations in a wide variety of industry sectors. This includes utility projects, infrastructure and construction, banking and financial services, manufacturing, energy, oil and gas, power, mining, metals and commodities, technology and telecommunications, international sales, pharmaceuticals, life sciences, medical devices, and aircraft, automotive, and transportation. These arbitrations relate to some of the largest disputes in the world.

## Investor-State Arbitration

We are well-known for investment arbitration representations, and we have a wealth of experience acting for a diverse mix of European, North and South American, Middle Eastern, and Asian sovereign states and investors. Our international arbitration lawyers are highly experienced in assisting our clients through every step of an investment dispute. We also advise our clients on how to structure their investments overseas to ensure maximum treaty protection, as well as on the available options for securing third-party funding that may be needed to prosecute the claims when a dispute arises and in securing that funding.
