

London Office Hosts Speaker on Women's Career Progression

MARCH 22, 2017

The women partners, associates, and trainees in Winston's London office attended an in-house training session held March 21 on "Navigating Career Progression." This event, hosted by the firm's Women's Leadership Initiative (WLI), featured organizational coach **Claire Pointing** of DML Consulting.

Attendees learned about the progress that has been made in closing the gender gap at professional services firms, the unconscious cultural forces that create barriers to equality, and strategies women can implement to take ownership of their careers and drive their own success.

Winston's WLI is the cornerstone of the firm's programs aimed at increasing hiring, retention, and promotion of female lawyers at the firm. In 2016, WLI expanded its reach to the firm's Europe offices and named Partner **Rebecca Finn** as WLI chair for the London office.
