

Elkin Speaks at Copyright Seminar at Columbia Law School

FEBRUARY 12, 2013

Winston & Strawn partner [Michael Elkin](#) spoke at the “Current Issues in Copyright” seminar at Columbia Law School on February 12, 2013 in New York. Mr. Elkin discussed copyright issues with respect to television and movies raised by new technologies for storage, time-shifting, video-on-demand services, and more.

Michael Elkin is managing partner of the firm’s New York office whose practice focuses on sophisticated legal issues involving emerging technologies.
