

The Real Deal Webinar Series: Representation & Warranty Insurance

NOVEMBER 18, 2014

Winston & Strawn presented “Representation & Warranty Insurance” as part of the The Real Deal webinar series. This presentation was held on November 18, 2014 at 12:00-1:30 p.m. (Central).

The 2014 market for M&A deals in the U.S. remains strong, with the first three quarters of 2014 being some of the most active quarters since the 2008 financial collapse. Representation and warranty insurance (“R&W insurance”) is providing both buyers and sellers with the opportunity to best position themselves in this very competitive market.

This session of our ongoing The Real Deal series discussed R&W insurance in the current market, including the following topics:

- Recent surge in the use of R&W insurance
- Benefits of R&W insurance to buyers
- Benefits of R&W insurance to sellers
- Differences in R&W insurance from other insurance policies related to transactions
- R&W insurance as a potential valuable deal solution

Winston & Strawn partners Eva Davis and Oscar David led this webinar along with Jonathan Gilbert, senior managing director of Crystal & Company, and Phil Casper, vice president and regional underwriting manager of AIG.
