

Winston Named Chicago Litigation Department of the Year by *National Law Journal*

APRIL 20, 2015

Winston & Strawn was named the 2015 winner of *The National Law Journal's* "Chicago Litigation Department of the Year." Winston secured a wide range of high-impact victories during 2014 at all phases of litigation—and in particular in cases that have major significance for the city of Chicago.

Winston's victory as the "Chicago Litigation Department of the Year" is the latest in a string of similar awards in recent years honoring our litigators across the firm, including the Chicago white collar and IP litigation practices' recognition by the *NLJ* as "Litigation Departments of the Year;" litigation department co-chair George Lombardi's selection as "Litigator of the Year;" national rankings in the *NLJ's* IP and Appellate Hot Lists; *Law360's* ranking of our white collar practice as a practice group of the year; and inclusion in "Top Verdicts" lists from the *NLJ*, *Law360*, and the *Daily Journal*; among others.
