

Winston's Cartel Practice Honored by The *Legal 500* US Awards 2015

JUNE 10, 2015

Winston & Strawn's antitrust/competition practice was recently named "2015 Team of the Year" for cartel defense by *The Legal 500*. This award is based on feedback from in-house lawyers, as well as research that *The Legal 500* team conducts throughout the year. In honoring the firm, *The Legal 500* referenced clients' view of Winston & Strawn as a "go-to firm for very complex, high-stakes matters" and noted our involvement in some of the largest recent cartel investigations, including those into optical disk drives, cathode ray tubes (CRT), automobile parts, and lithium ion batteries.

Winston & Strawn was also on the short list of finalists in the Sports and Energy Industry categories.
