Partner

New York  
+1 212-294-4629

Jonathan's practice focuses on complex acquisitions and dispositions, debt and equity financings, and general corporate law matters, primarily in the energy and infrastructure sectors. His experience includes deals involving numerous renewable and gas-fired projects, battery storage projects, transmission facilities, and pipelines. He is recognized in, among others, *Chambers USA* and *Legal 500*.

He regularly represents both strategic and financial clients and has played a primary role in many complex transactions involving a wide variety of structures and assets. These transactions have included acquisitions and dispositions of companies, projects and portfolios, and project financings, including tax-oriented, preferred and other equity investments, and senior secured and subordinated loans. His experience extends to a wide variety of projects, including: renewable energy projects (particularly solar and wind); battery storage projects; thermal (primarily gas-fired) generating plants; transmission assets; natural gas liquefaction (LNG) facilities; and oil and gas pipelines and related facilities.
