

DIVERSITY SCHOLARSHIPS

Winston & Strawn LLP is offering six scholarships to diverse law school students who join the 2009 summer program in one of our domestic offices following the conclusion of their second year of law school. The \$10,000 scholarship will be paid during the students' third year of law school.

In selecting the scholarship recipients, Winston & Strawn will consider the students':

- Interest in practicing law after graduation in a large law firm in one of the cities in the United States in which Winston & Strawn has an office (currently, Charlotte, Chicago, Los Angeles, New York, San Francisco and Washington, D.C.)
- Law school and undergraduate record, including academic achievements and involvement in extra-curricular activities
- Demonstrated leadership skills
- Interpersonal skills

Scholarship recipients will be announced on or about December 15, 2008. To apply for the Winston & Strawn Diversity Scholarship, please submit an application along with your resume, law school transcript, and a brief personal statement by November 1, 2008. The application form can be found on our website at www.winston.com. Scholarship applicants who attend a law school at which Winston & Strawn conducts on-campus interviews should also sign up to see us on campus. For all other scholarship applicants, your scholarship application will also serve as your application to our 2009 summer program.
