Winston Offers Free 1L Law School Prep Course to Help Level the Playing Field

Cracking the code for law school success can be especially difficult for first-generation students and those who cannot afford pricey prep courses.

To help address this inherent inequity and give everyone a fair and fighting chance to succeed, Winston has developed a free 1L prep course—the Law School Experience.

When you complete this free, online prep course, you will gain key insights into succeeding in law school.

You will learn how to:

- Succeed on law school exams
- Read and analyze case law
- Write a useful, thorough law school course outline
- Make an effective constitutional argument

The prep course is self-paced, so you can learn on your own time. Upon completion of the six to seven hour course, you will earn a certificate, which you can add to your resume and LinkedIn profile.
