General Hiring Criteria

During the hiring process, we look for law students and lawyers with a strong balance of academic credentials, interpersonal and leadership skills. We think great legal solutions come from an ability to combine intellect with creativity and pragmatism. Our Hiring Committee also appreciates the value that comes from having people with a wide range of skills, interests, and backgrounds. While our attorneys may work in different offices, across the globe, and in vastly different legal areas, we share a common goal of delivering the highest quality legal advice to our clients. We want attorneys who are smart, confident, and practical in their problem-solving approach, and who understand the importance of teamwork. In our experience, the people who succeed at Winston can get the job done in a collegial, results-oriented, and respectful way — and they often have fun in the process. It's that combination of skills and qualities that makes Winston & Strawn remarkable.

We are proud of the many accolades we have received over the years—a tribute to our lawyers' creativity, flexibility, depth of experience, and commitment.
