

Sixth Annual Alumni Reunion Connects Old Friends and New

MAY 14, 2018

San Francisco was the first of Winston's offices to hold an annual alumni reception, and it has become a tradition our current and former attorneys and professional staff look forward to each year.

Office Managing Partner Joan Fife welcomed the 50 attendees at the 2018 Winston & Strawn San Francisco Alumni Party, hosted May 9 in our firm's offices. She introduced Attorney Recruiting & Development Manager Victor Barnett, who recently relocated to San Francisco from our New York office.

Director of Partner Hiring & Alumni Relations Debby Cusumano Caldwell talked more about the firm's robust Alumni Program, including growing membership in the Winston & Strawn LLP Attorney Alumni Group on LinkedIn as well as investment in additional online resources coming soon.

Alumni in attendance at this event represented the full spectrum of professions, from those working in house and at law firms to those who are now judges and educators. They had the opportunity to network with current firm members and even reconnect with old friends from across the legal community.

We look forward to seeing our alumni around the country—and the globe—at future events planned for the coming year and beyond.
