

Airfinance Journal's Legal Survey 2018 Recognizes Winston & Strawn

JULY 4, 2018

In its' sixth annual legal survey recognizing law firms most active in the 2018 aircraft market, Winston & Strawn scored top marks from *Airfinance Journal*. Winston ranks in the top 10 law firms by number of deals, tenth overall; fourth in the North American region, the most active sector overall; and fifth in both the Latin American region and the sales and purchases category.

Last year Winston was recognized in two categories, Top 10 law firms and Latin America. This year's additional rankings in the North America and Sales & Purchases categories demonstrates the depth of our practice and our continued growth in the aircraft financing industry.
