

## Linda Coberly Recognized on *Crain's* 2018 List of Notable Women Lawyers in Chicago

AUGUST 2, 2018

Winston's Appellate & Critical Motions Practice Chair Linda Coberly is recognized on *Crain's Custom Media's* list of [Notable Women Lawyers in Chicago](#). Now in its second year, the list highlights 150 women who represent an impressive cross-section of Chicago's legal industry leaders.

As the first female Managing Partner of Winston's Chicago office, Linda led a team working to ratify the [Equal Rights Amendment](#) in Illinois. Over the last year, she argued five appeals on the West Coast, while handling appeals in the Midwest and in the U.S. Supreme Court. Also of note, a pro bono class action in which she was involved changed the federal government's practice of issuing warrantless immigration detainees against individuals in law enforcement custody.
