

Winston Continues to Generate Excitement in Dallas

SEPTEMBER 28, 2018

After making a “splashy entrance” into the Dallas, Texas legal market, Winston once again made headlines with an open house on September 20 celebrating a beautiful new office space in this thriving business center.

Winston caused a “seismic shift” when we launched our Dallas office in February 2017 with what *D CEO* magazine called an “Olympic ‘Dream Team’” of 23 lawyers from eight different firms. The office has since grown to more than 60 lawyers and this summer became the first tenant to move into 2121 N. Pearl Street in the city’s new Park District complex.

The more than 250 guests at the open house filled the office with camaraderie and conversation against a backdrop of recent works by world-renowned wildlife photographer and guest of honor David Yarrow.

The evening began with a welcome by Firm Chairman Tom Fitzgerald, Dallas Office Managing Partner Bryan Goolsby, and Dallas Partner Steve Stodghill, followed by a tour of our light and bright new space featuring glass-walled offices, a café and other collaborative spaces, and Yarrow’s striking photographs.
