

Winston to Welcome 63 Summer Associates in 2019

NOVEMBER 1, 2018

On the heels of a successful summer program that resulted in the extension of permanent offers to all of our 2018 summer associates, we are pleased to report that 63 2L students will be summering with Winston in 2019.

The exceptional level of talent and diversity represented by our 2019 summer associate class, 85% percent of which comes from the country's top 25 law schools, is a testament to the dedication of Winston's Attorney Recruiting & Development team, Hiring Committee, Summer Program committees, and everyone else involved in our firm's on-campus recruiting efforts.

Participants in our summer program once again gave our firm high marks in the [2019 Vault Guide to the Top 100 Law Firms](#), commenting that "Winston gives real work to our summers," "camaraderie among summer associates is very high," and "the collegiality and great culture experienced during the summer never really goes away."
