

Winston Sponsors Infrastructure Investors Forum: Americas 2019

FEBRUARY 26, 2019

Winston & Strawn is a sponsor of [Inframation's Infrastructure Investors Forum: Americas 2019](#). This annual forum brings together major players, including infrastructure funds, institutional investors, infrastructure corporates, funders, industry regulators, and service providers with a focus on project development, complex financings, and mergers and acquisitions in the energy and infrastructure sectors. In particular, the 2019 event will explore the forces shaping dealmaking and financings in today's North American markets.
