

Michael Elkin Selected for *Variety*'s 2019 Legal Impact Report

APRIL 9, 2019

On April 9, *Variety* published their annual Legal Impact Report featuring this year's top entertainment attorneys who are making a significant impact on the industry. Winston & Strawn Partner and Vice Chairman Michael Elkin is acknowledged as one of *Variety*'s "Legal Impact Honorees."

Michael is a widely-recognized trial lawyer whose practice has helped define the boundaries and landscape of IP law regarding the development, distribution, and use of emerging technologies. He advises cable and tech companies on new technologies for internet distribution and has successfully defended new media in game-changing disputes, including cases involving the streaming of motion pictures, television, and music properties.
