

Winston Welcomes 2019 Summer Associates

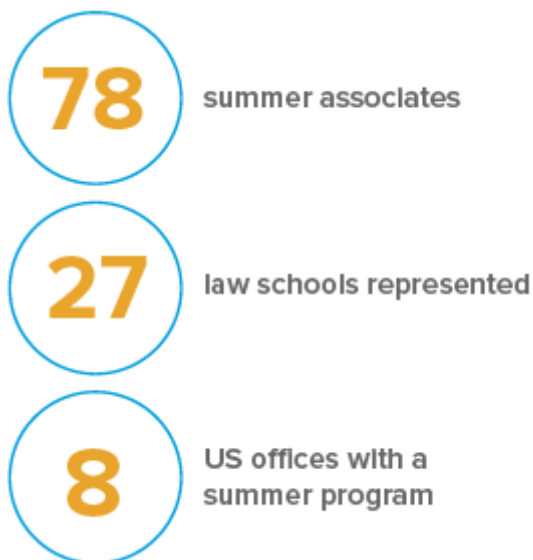

MAY 16, 2019

Amazing work, training, and social opportunities are in store for the 78 law students participating in Winston's 2019 North America Summer Associate Program, which kicked off on May 13.

Our terrific summer class this year includes students from many different law schools and backgrounds, including nine [1L Leadership Council for Legal Diversity \(LCLD\) Scholars](#) and one diverse 1L from Diverse Attorney Pipeline Program (DAPP) Direct. All of the law students joining us this summer will participate in valuable hands-on training programs, exceptional social events, and meaningful opportunities to explore a wide range of practice areas.

Winston's summer program is designed to help students discover what practice areas they enjoy most and what aligns best with their strengths and interests. Visit our [Law Students Careers page](#) for more details.

We are looking forward to a fun and productive summer!
