Winston & Strawn Attorneys Recognized in IFLR1000 United States 2019

JUNE 7, 2019

Seven Winston & Strawn lawyers are recognized in the 2019 IFLR1000 United States. Now in its second year, IFLR1000 United States ranks U.S. attorneys and law firms at the state level in all 50 states and the District of Columbia. IFLR conducted interviews with and reviewed deal case studies of hundreds of law firms across the country to determine the rankings. Rankings are primarily based on transactional evidence, but take into account client and peer feedback.
