

## Sandra Edwards Discusses Move to Firm with *The Recorder*

SEPTEMBER 9, 2019

Winston & Strawn is pleased to welcome Sandra Edwards as a partner in the firm's San Francisco office. Joining from Farella Braun + Martel, where she was chairwoman of its environmental and product law department, Sandra will focus her practice on representing corporate clients in multidistrict litigation (MDL), as well as in individual and coordinated lawsuits across a number of industries and products, including pharmaceuticals, agricultural chemicals, and medical devices.

Commenting on her decision to join Winston, Sandra said: "I have been practicing law 25 years. I actually have a lot of trial experience in a wide array of areas. Given Winston's reputation. . . as a litigation and trial powerhouse. . . I'm hoping my experience will be useful to them and their existing clients and even to my existing clients as well."
