

European Regulatory Reactions to the Rise of Cryptocurrencies

OCTOBER 24, 2019

Peter Crowther, Lisa Hatfield, and Jérôme Herbet presented the third webinar in the series on October 24, 2019.

This webinar addressed the following topics:

- Diverging national European approaches to cryptocurrencies;
- EU-wide regulation and problems of 'retro-fitting' existing legislation to apply to cryptocurrencies;
- Expansion of the EU-wide Anti-Money Laundering Directive 5 to encompass cryptocurrencies.
