

Leslie Jacomino Nominated as a “Next Generation” Committee Member by Diversity Agenda

OCTOBER 14, 2019

Winston & Strawn Associate Leslie Jacomino has been nominated as a “Next Generation” Committee Member by Diversity Agenda. Leslie was recognized on October 3 at “[The Next Generation of Diversity Leaders Reception](#)” in Albany, New York. The event was co-hosted with The Young Professionals in Infrastructure (YPI) and celebrated young professionals creating change in the diversity market and beyond, by excelling in their professions and breaking through barriers and glass ceilings.

As Chair of the Diversity, Inclusion & Workforce Committee of The Young Professionals in Infrastructure, Leslie explains, “Part of YPI’s efforts to foster a new generation of successful, inspiring leaders has been driven by its increasingly active Diversity, Inclusion & Workforce Committee. This Committee, and YPI generally, remain committed to driving increased diversity and inclusion among those working in the infrastructure space, across all industries. The Committee and YPI are committed to promoting the future generation of leaders in infrastructure and cultivating an inclusive industry culture that recognizes and appreciates talented contributors of all backgrounds. It is not just about diversity for diversity’s sake—diverse and inclusive teams are critically important to the delivery of successful projects.”
