

Evan Lewis

Associate

Houston
+1 713-651-2785

Evan is a litigator who focuses on intellectual property and complex commercial litigation. Prior to law school, Evan worked in a chemistry lab and he holds a B.S. in biology. During law school, he argued in front of the United States Court of Appeals for the Sixth Circuit, winning a favorable verdict for a client in a civil rights claim.

Evan is an intellectual property litigator with a background in biology and chemistry.

During law school, Evan participated in the William & Mary Appellate and Supreme Court clinic, where he had the opportunity to argue in front of the United States Court of Appeals for the Sixth Circuit and won a favorable verdict for a client on a qualified immunity issue in a 42 U.S.C. § 1983 claim. Evan also participated in Moot Court and was a member of the *William & Mary Law Review* during law school.

Prior to law school, Evan was a chemistry laboratory technician at Southwest Research Institute, where he conducted a variety of chemical tests on fuels, lubricants, and other petrochemicals.

Evan holds a B.S. in biology. While earning his undergraduate degree, he worked in a biochemistry laboratory where he conducted research on antimicrobial protein fragments.
