

Madalyn Brown Feiger

Associate

Chicago
+1 312-558-8141

Madalyn counsels clients on environmental matters in a variety of contexts including assessing environmental risk in corporate transactions, advocating for clients in contact with regulators, guiding clients in litigation, and helping clients achieve regulatory compliance.

Madalyn is a regular contributor to [Winston's Environmental Law Update](#). Prior to joining the firm, Madalyn was a legal intern on the U.S. Climate Legal & Regulatory Advocacy Team at the Environmental Defense Fund in Colorado.

Madalyn previously worked at the White House Council on Environmental Quality as an energy and climate change intern, where she facilitated planning and implementation of the White House Summit on Offshore Wind and the White House Champions of Change of Sustainable and Climate Smart Agriculture event and drafted international briefs to prepare members of the U.S. delegation attending the COP21 climate change conference in Paris.
