SEPTEMBER 15, 2020

In partnership with the Duchossois Group, Winston & Strawn is sponsoring the [Make Room for Debate Luncheon](#) in support of Chicago Debates. Held virtually on September 15, the event will give us the opportunity to honor the organization's Champion of Debate, and hear from students and alumni of the program about how debate has positively impacted their lives.

[Chicago Debates](#) works with principals to establish and support debate teams at schools, and assists principals with recruiting coaches from their teaching staff to help them build debate teams and prepare them for tournaments. The organization also runs a two-week summer camp for middle school and high school students.
