

Jason Osborn Speaks on Chicago Region SPAC Roundtable

SEPTEMBER 30, 2020

2020 has been a record-breaking year for special purpose acquisition company (SPAC) transactions. However, a private company going through a SPAC transaction has its own set of unique challenges, which should be considered.

On September 30, Deloitte will host a Chicago Region SPAC Roundtable featuring Winston & Strawn Partner Jason Osborn and other guest speakers for a discussion on navigating SPAC transactions, the merger process, and life as a public company. This webinar is designed for finance leaders of pre-IPO companies and will include:

- SPAC overview and current trends
- Leading practices to address the unique challenges
- Q&A
