

Marine Money's Virtual Ship Finance Forum NYC

NOVEMBER 19, 2020

Collaboration is king in offshore wind development. Bringing together project developers with shipowners and offshore operators will require an intensity of collaboration and joint ventures rarely seen in the maritime industry. On November 19, join Winston & Strawn Maritime Practice Chair Charlie Papavizas for “Legal Strategies for Foreign Owners Seeking to Participate in the U.S. Market” during Marine Money’s Virtual Ship Finance Forum NYC. Winston is a sponsor of the event.
