

Winston Attorneys Contribute to 14th Edition of the *Mergers & Acquisitions Review*

JANUARY 2021

Winston & Strawn Attorneys Richard Falek, Conor Reidy, and Johanna Rae Hudgens co-authored the United States Antitrust Overview in the 14th edition of *The Law Review's Mergers & Acquisitions Review*.

Download the overview [here](#).

View the full guide [here](#).

Published annually by Law Business Research Ltd., The Law Reviews create accessible insights into the practice of different legal areas in the world's most significant jurisdictions. The guides also help practitioners look beyond their own borders to find potential practice opportunities, exploit strategic solutions, and better understand options in unfamiliar foreign jurisdictions. Each volume contains a different set of guidelines that are specific to a particular field of law; each one addresses the differing needs of practitioners and their domestic and international clients.
