

Featured in Bloomberg Law: Winston & Strawn Forms Team to Help Tech Clients with Antitrust

FEBRUARY 3, 2021

Winston & Strawn's Technology Antitrust Group was recently profiled in Bloomberg Law. A dedicated team within Winston's Antitrust/Competition Practice, this group works in collaboration with the firm's Intellectual Property (IP) Practice, Corporate M&A Practice, and the Technology, New Media, and Telecommunications (TNT) Industry Group to help clients navigate an ever more challenging regulatory environment.

"The increasingly rapid pace of innovation has reshaped competitive dynamics for companies operating in technology markets and across digital platforms," said Aldo Badini, co-leader of the new group.

Learn more about the value the Technology Antitrust Group will bring to clients in [Bloomberg Law](#).
