

# Concurrences 2021 Antitrust Compliance Awards Webinar: How to Detect & React to Antitrust Breaches

MARCH 23, 2021

On March 23, Concurrences is launching the first global summit dedicated to Antitrust Compliance, which will include a four-part webinar series and virtual awards ceremony. This annual event is designed to promote antitrust compliance by bringing together the most prominent and innovative actors across the field, including enforcers, academics, corporations, law firms, consultants, and legal techs.

Winston & Strawn's Antitrust/Competition Co-Chair Eva Cole will present on the third webinar titled "How to Detect & React to Antitrust Breaches? Practical Tools & Takeaways," which will address the following topics:

- How to encourage a speak-up/listen-to culture
- End and investigate the breach
- Consider leniency applications
- Conduct wider due diligence in other divisions/jurisdictions
- Consider disciplinary sanctions
