

## Winston & Strawn Hosts Immersive Van Gogh Exhibit

MARCH 31, 2021

Earlier this year, Winston & Strawn invited participants to virtually experience the [Immersive Van Gogh Exhibit](#). This blockbuster show debuted in Paris in 2019, traveled to Toronto, and made its U.S. premiere in Chicago.

Over the course of his complex and tortured life, Vincent Van Gogh created over 2,000 works of art including the 900 oil paintings that established his reputation. During this one-hour live event, participants experienced Van Gogh's art in a completely new and unforgettable way through a private viewing of the exhibit's highlights, including Sunflowers and Starry Night.
