

Offshore Wind: Marine Asset Finance & Investment Opportunities Virtual Forum

MAY 19, 2021

On May 19, join Winston & Strawn's Maritime Practice Chair Charlie Papavizas for "Joint Ventures in the U.S. Market" during the Offshore Wind: Marine Asset Finance & Investment Opportunities Virtual Forum. This half-day virtual conference will review the drivers of demand and assess the need for marine assets to meet these ambitious goals in both the global and U.S. markets. Hear from those leading these crucial efforts and identify investment opportunities in the offshore wind, today's fastest growing source of energy and a critical component in the global energy transformation. Winston is a sponsor of the event.
