

Patent Litigation Partner Kelly Hunsaker Featured in *Reuters*

JULY 8, 2021

Winston & Strawn has added Kelly Hunsaker as a partner in the firm's Silicon Valley office and as a member of the firm's Patent Litigation practice.

In a recent interview with [Reuters](#), Kelly said that she joined Winston in part to reunite with former Fish colleagues Kathi Vidal, Winston's Silicon Valley Office Managing Partner, and Tom Melsheimer, Winston's Dallas Office Managing Partner. Kelly also mentioned that she joined Winston for the full suite of legal services that the firm is able to provide.

"What drew me to Winston was the opportunity to reconnect with former colleagues who are widely respected, who I collaborate with very well and who are leading patent and IP cases on the cutting edge of both law and technology," said Kelly.
