

# NYIAC Virtual Talks - SEPs to Arbitration: Can we be FRANDS?

JULY 20, 2021

As licensing and associated disputes transcend national boundaries, we expect an increase in international arbitration dealing with these issues. Particularly in intellectual property and licenses deal that with patents essentially to high-tech standards, the associated topics will include licensing and value determination, FRAND considerations, competition issues, and balancing of competing considerations. Winston & Strawn Technology Antitrust Practice Co-Chairs Aldo Badini and Susannah Torpey will join panelists for a discussion about the present and the future of this intersection between standard essential patents (SEPs), licensing, and IA.
