

Local Students Receive a Back-to-School Boost from Winston's Chicago, Charlotte, and Dallas Offices

JULY 29, 2021

Chicago's Winston for Good team coordinated an online fundraiser that raised enough money to purchase school supplies for nearly 370 back-to-school kits for students served by [UCAN](#)—a nonprofit that supports more than 21,000 at-risk children, youth, and families throughout Illinois.

Chicago office members, including many of our summer associates, assembled the back-to-school kits, which include 30 vital supplies such as folders, notebooks, pens, paper, and rulers. This was Chicago's first in-office Winston for Good event since the COVID-19 pandemic began and the Chicago office turned out in force.
