

Winston Sponsors 4th Annual Private Equity Europe Forum 2021

SEPTEMBER 14, 2021

Winston & Strawn is pleased to sponsor the 4th Annual Private Equity Europe Forum. The in-person forum brings together investors, funds, and advisers to discuss sectors, due diligence, and private equity investment opportunities in Europe and around the world. It is the leading investor-centric meeting for limited partners with holdings in private markets across Europe and globally.

Partner Ian Borman will be leading a panel discussing “Secondaries, Co-Investments, & Fund of Funds,” looking at how investors can take advantage of secondaries, co-investments, and funds of funds to boost returns, as well as the advantages they provide over individual manager selection in the aftermath of COVID-19.

Partner Paul Amiss will also be chairing a break-out session on “Special Purpose Acquisition Companies – the Opportunity for London.”

Other panel sessions will cover “Global Private Equity in a Post COVID-19 World,” “Examining the European Private Equity Landscape Ahead,” and “Private Credit—Challenges, Risks, and Opportunities.”

The investor-focused event provides a due diligence forum for European and international pension funds, foundations, endowments, fund of funds, family offices, wealth managers, consultants, and sovereign wealth funds interested in direct research on private investment opportunities.
