

Climate and ESG: Emerging Legal Risks and Compliance

OCTOBER 5, 2021

On October 5, join Jonathan Brightbill—Winston & Strawn partner and Environmental Litigation & Enforcement Practice chair—for a webinar titled “Climate and ESG: Emerging Legal Risks and Compliance.”

The event, hosted by Lawline, will provide corporate and in-house counsel with an overview of environmental, social, and governance (ESG) criteria, the current legal requirements for ESG reporting and disclosure, and the emerging legal and compliance risks from voluntary disclosures.

The course will also cover pending agency proposals for mandatory financial and non-financial disclosure and reporting regimes—this includes compliance controls and procedures and risk management considerations.
