

Winston & Strawn Launches Class Action Insider

SEPTEMBER 20, 2021

Winston & Strawn is pleased to announce the launch of our blog covering the latest class action law issues impacting companies in the United States and abroad. The Class Action Insider blog will provide timely, brief, and relevant updates on what is happening in our courts.

Our [class action](#) attorneys have a consistent record of success in handling class action cases in state and federal courts, at both the trial and appellate levels. The practice is anchored by several seasoned class action lawyers, many of whom have been recognized by *Chambers Global*, *Chambers USA*, and other ranking organizations as being top practitioners in their field. The group has been recognized by *U.S. News & World Report—Best Law Firms* as “Law Firm of the Year” in the Mass Tort Litigation/Class Actions—Defendants category and recently received a First Tier ranking in *U.S. News—Best Lawyers*® “Best Law Firms” 2021.

We look forward to providing you with informative and timely updates.
